BCCL and/ or the broadcasters of the Channels also reserves the right to form a new/separate bouquet of channel(s) at any time, subject to applicable law, rules, regulations or government order.

All rights/authorization not specifically granted to the Affiliate in this Agreement shall remain with BCCL.

# 5. OBLIGATIONS OF THE AFFILIATE:

The Affiliate undertakes and agrees to comply with all the terms and conditions of this Agreement which inter-alia include the following:

# 5.1 Affiliate's Documents and Details

The Affiliate agrees to comply with all the applicable regulations issued by TRAI and shall provide the Documents as mentioned in Annexure G, at the time of signing of this Agreement and allow the inspection of compliance of the technical parameters and systems to ensure that the Affiliate is competent to distribute the Channels in Authorized Distribution System.

# 5.2 Reception and Distribution:

- a) The Affiliate shall at its own expense & cost, download and receive the signals of the Channel(s)/Service only from the designated satellites and distribute the same in the same mode/Format (as received by the Affiliate from BCCL) through the Equipment provided or approved by BCCL.
- b) The Licensed Rights are granted to the Affiliate for subscribing the Channel(s)/Services solely for the purpose of further distribution in the Territory to its represented Subscribers in the mode/Format (as received by the Affiliate from BCCL) through the Addressable System and in the mode/Format/manner as specified by BCCL.
- c) The Affiliate shall re-encrypt the signals of the Channels as per the technical parameters mutually decided

- by the parties so that the quality, Format (HD/SD format) and continuity of the Channels should be maintained. The Channels shall be delivered by the Affiliate to the Subscribers only in a secured encrypted manner and without any alteration or disruption.
- d) The Affiliate also agrees to maintain a high quality of signal transmission of the Channels/Service to its Subscribers in the same Format as provided to the Affiliate without any disturbances, disruptions/interruptions or black out. The Affiliate further agrees and undertakes that it shall distribute and ensure continuous distribution of the Channels/Service in its entirety, in the same manner as it is received without any modification, editing, interruption, delay, alteration including any scrolling, imposing or superimposing of advertisements/message/content/graphics/music/picture squeezing or resizing etc. or otherwise tampering with the telecast/content, editing, voice over etc., interference, demodulation, disruption and/or blacking it out in any manner whatsoever.
- e) The Affiliate declares and agrees that it shall:
  - i. At its own cost and expense, cause the Channels to be received only from the satellite(s) designated by the BCCL from time to time and shall ensure distribution throughout its DAS Systems on separate, dedicated channel(s) for reception by all its Subscribers.
  - ii. Receive and decrypt/de-code the signals of the Channels only through Equipment supplied/approved by BCCL, details of which are mentioned in Annexure C.
  - iii. Decode, turn-around and encrypt the Channels (without deletion or alteration of, or interference with, the content of any of the Channels and /or without changing the Format unless otherwise provided in this Agreement) in a mode acceptable to BCCL so that the quality, standard and continuity of the Channels are maintained by the Affiliate.
  - iv. Affiliate shall not deploy any advertisement skipping function in its Distribution System or use any technology to insert, overrun, super impose advertisement in the form of but not limited to tickers, audio, video, vignettes, etc.
  - v. Ensure that the services of the Channels shall be available to the Affiliate's Subscribers on a continuous and uninterrupted basis as per the terms of this Agreement.
  - vi. Further ensure that the set top boxes provided to its Subscribers should meet the specifications prescribed by BIS; and compliance certificate in this respect (from time to time) signed by CFO or head of that department should be sent to BCCL.
- vii. Record the details of all its Subscribers in the CAS and SMS along with the date of activation and deactivation of their Services.

# 5.3 Distribution, Marketing & Promotion Obligations:

- a) The Affiliate shall be free to form a package as per the provisions of Interconnection Regulation issued by TRAI from time to time, however, the Affiliate undertakes not to discriminate against the Channels compared to any other channels of the same genre(s) being distributed by the Affiliate. The Affiliate further undertakes that the Channels shall not be disadvantaged or treated less favorably compared to any other channel of the same genre(s) particularly while placing the Channels in any package/tier or fixing the retail price of the channel(s).
- b) The Affiliate shall inform to BCCL the details of the bouquet/package in which the Channels are to be placed and in case the Affiliate intends to change such packaging it shall give a three months written notice to BCCL with respect to such change and the Affiliate undertakes that all the changes will be made in good faith without targeting the Channel(s) for discriminatory treatment vis-a vis similar channels falling in the same genre(s).
- c) BCCL also grants to the Affiliate the non-exclusive right to use the Marks of BCCL for the marketing and promotional purpose of the Channels, and the Affiliate shall take a written approval before finally using it with other marks. The Affiliate shall market and promote the Channels and content thereof in a non-discriminating manner which shall be materially similar to the manner in which other channels of the same genre(s) are being marketed/ promoted by the Affiliate. The Affiliate agrees and undertakes to ensure that the size and prominence of the name and logos of the Channels on all its advertising and marketing/promotional material/campaigns etc. shall be similar to that of any other channels being

- distributed by the Affiliate. The Affiliate shall co-operate in all respect with BCCL with respect to any market research being/to be conducted by BCCL.
- d) The Affiliate shall package the Channels as per applicable Law. The Affiliate shall ensure that none of the Channels are disadvantaged or otherwise treated less favourably with respect to competing services on a genre basis or included in any Subscriber Package or tier that contains any service with pornographic content or any gambling service. Subject to terms of this Agreement, once a Channel(s) has been included in a Subscriber Package, the said Channel(s) shall not be selectively taken off by the Affiliate unless all other channels comprised in the Subscriber Package have been switched off or taken off air by the Affiliate. Provided that this provision shall not apply on suspension of signals or on termination or expiry of this Agreement whereby the said Channel(s) is taken off air or switched off.

**5.4 Territory:** The Affiliate is entitled and hereby undertakes to distribute the Channel(s) only in the Territory as specified in Annexure - F attached to this Agreement. It is agreed that in case the Affiliate intends to distribute the Service beyond the Territory, it shall seek prior written authorization from BCCL or execute a separate Agreement for the same on the terms and condition mutually agreed between the parties. Any distribution of the Channel(s) in the non-agreed areas without prior authorization from BCCL will be deemed un-authorized distribution and will also constitute a material breach and Piracy.

#### 5.5 Subscriber base:

a) The Affiliate shall distribute the Service only to those Subscribers whose relevant details have been recorded in its CAS & SMS.

#### b) Subscriber Report or SMS Report:

- i. Within 7 (seven) calendar days after the end of each month, the Affiliate shall provide the Subscriber Reports to BCCL in accordance with Annexure B(i) for the Subscribers and in accordance with Annexure B(ii) for Commercial Subscribers. The Subscriber Report shall be system generated only through SMS and CAS and the same should be in a pre-defined read only format such as a suitable PDF format which cannot be manually edited and attested. The Subscriber Reports shall be signed and attested by an officer of the MSO of a rank not less than Head of Department/Chief Financial Officer who shall certify that all information in the Subscriber Report is true and correct. Additionally, any difference between the SMS and CAS reports shall have to be reconciled to the satisfaction of BCCL. Such provisioning of Subscriber Report shall constitute material obligation on the part of Affiliate.
- ii. For the purpose of computing opening and closing subscriber base Affiliate shall allocate a unique identification number/code to such STBs receiving one or more of the Channels so that subscriber counts can be generated on the basis of such unique identification numbers. Such codes shall be shared by the Affiliate with BCCL within a period of 7 (seven) days from the end of each month.
- iii. The Affiliate is required to intimate the true and exact details and number of Subscribers (who have subscribed the Channels/Service) to BCCL as per the format attached herewith as Annexure B(i) and (ii). The number of Subscribers to be provided shall inter alia include the opening, closing and Average number of Subscribers who have subscribed for the Channels/Service (during the previous month) in a-la-carte or in bouquet through its DAS Platform along with any other details as required by BCCL from time to time.
- iv. It is further agreed that the Affiliate shall maintain and provide a separate records/report to BCCL separately for the Ordinary Subscribers and Commercial Subscribers.
- v. The Affiliate agrees and undertakes to declare the true subscriber base to BCCL and send an updated list thereof as per the terms and conditions of this Agreement. In case after verification BCCL arrives at the opinion that the Affiliate has been distributing the Services in any area other than authorized Territory; BCCL may, upon notice to the Affiliate, either deactivate the service/terminate this Agreement or increase the Subscription Fees to be paid by the Affiliate without prejudice to any other rights available to it and the Affiliate agrees to pay the increased Subscription Fees in accordance with the provisions hereof, without raising any dispute in this regard.
- vi. The Affiliate shall ensure compliance of Schedule 1 attached to the Telecommunication

(Broadcasting and Cable Services) Interconnection (Digital Addressable Cable Television Systems) Regulations, 2012 dated 30<sup>th</sup> April, 2012.

# 5.6 The Equipment:

- a) The Affiliate will be entitled to obtain the Equipment from BCCL provided all the terms for subscribing the Channels have been agreed to and complied with by the Affiliate and the Inter connect Agreement has been executed by it. The details of IRDs and Viewing cards (VCs) issued to the Affiliate are mentioned in Annexure C.
- b) The Affiliate shall at its own cost, collect the Equipment from the designated address of BCCL, which shall be returned on expiry/termination of this Agreement at the designated address of BCCL at its (the Affiliate's) own cost in the same condition subject to normal wear and tear. It is further agreed and reiterated that the Affiliate shall be entitled to use the Equipment subject to compliance of the terms and conditions of this Agreement.
- c) The Equipment, so provided to the Affiliate, is and shall remain the property of BCCL and except as otherwise provided in this Agreement, no right, title or interest in the Equipment(s) shall pass to the Affiliate by virtue of this Agreement.
- d) The Affiliate agrees not to temper, alienate or part with possession of the Equipment(s) or pledge and/or create charge upon them to and/or in favour of any third party or to any other place than the Premises without the prior written approval of BCCL.
- e) The Affiliate shall use and maintain the Equipment in accordance with the instructions of BCCL/manufacturer and will keep the Equipment(s) in good repair/running condition and working order and have them insured at its own costs. The Affiliate assumes the risk of damage to the Equipment on collection and will indemnify to BCCL in case of loss or damage to the same. BCCL may replace the Equipment only in case of mal-functioning provided the Affiliate has used the same as per the instruction of BCCL or its manufacturer, however if it is found that the Affiliate has not used the Equipment as per the instruction of manufacturer/BCCL, the Affiliate shall be liable to pay the cost of the same. It is further agreed that BCCL shall not be liable to the Affiliate for any direct, indirect, special or consequential loss/damages arising out of or by using/non-functioning of the said Equipment.
- f) BCCL shall have no liability/obligation (direct or indirect) (except as stated in this Agreement) whatsoever under this Agreement, towards the Affiliate or any other person including the Subscribers, arising from and in respect to:
  - i. any defect in the Equipment attributable to or resulting from any unauthorized or improper use, tempering, negligence or failure to follow the BCCL/Manufacturer's instruction, or any use of the Equipment(s) with any apparatus or equipment not authorized/approved by BCCL; or any defect or damage in Equipment(s);
  - ii. any action or failure to act or default on the part of any Equipment distributor or installer.
- iii. any indirect or consequential loss resulting or any other default on the part of BCCL or any of its officers, employees, suppliers, distributors or agents or any vendor of Equipment(s).
- g) BCCL shall be entitled to charge the rental fee and/or the Security deposit for the Equipment. Subject to terms and conditions of this Agreement, the Security Deposit shall be returned to the Affiliate, without any interest, on receiving back the Equipment(s) from the Affiliate, at the time of expiry/termination, in the same working conditions except normal wear and tear.
- h) It is further agreed that in case the Affiliate fails to return the Equipment as per the terms of this Agreement, it shall be liable to pay the same subscription fee, in addition to any other penalty/damages to BCCL until the Equipment are returned by the Affiliate to BCCL.
- The Affiliate shall ensure compliance of Schedule 1 attached to the Telecommunication (Broadcasting and Cable Services) Interconnection (Digital Addressable Cable Television Systems) Regulations, 2012 dated 30th April, 2012.

#### 5.7 Technical & Security measurement Obligations:

- a) The Affiliate declares and agrees that it shall follow the technical conditions as Specified in Annexure D with respect to reception and distribution of the Channels.
- b) Besides the technical conditions as Specified in Annexure D, the Affiliate declares and agrees that it shall follow the below mentioned specifications and conditions for distribution of the Channels:
  - i. The Affiliate will maintain at its own expense a subscriber management system ("SMS") and Conditional Access System (CAS) which shall meet all the requirements as specified in Inter Connect Regulation including Schedule IV of the Inter connect Regulations dated 17<sup>th</sup> March, 2009 issued by TRAI and Schedule I & II of the Inter Connect Regulation dated 30<sup>th</sup> April, 2012 issued by TRAI..
  - ii. It (the Affiliate) shall install the highly secured and BIS Compliant CAS & SMS, which are linked and integrated, so as to generate true reports with respect to subscribers, subscription, activation/deactivation and re-activation through such SMS.
- iii. Both the CAS and SMS software must be from a reputed company in the business of protecting content for at least last 5 (five) years and must currently be successfully protecting at least Ten millions pay TV subscribers worldwide.
- iv. The Affiliates operating system should be able to handle and record individual channels, packages, tiers, discounts, free offers, promotional offers; activation/deactivation history with respect to each addressable device (IRD/VC) and each channel/service for every activation and deactivation in the system for a minimum period of 1 year.
- v. SMS of the Affiliate shall/must maintain/record a detailed database of the Subscribers which shall inter-alia include the name, address and the channels/tier/package(s) opted by the Subscribers, basic features of the contracts executed with the Subscribers such as date of contract, details of Customers Equipment, method of billing, payments and outstanding by the Subscribers etc. & administration of such features as per industry standards, handling complaints of the Subscribers.
- vi. The Viewing Card and the Set Top Box should be paired in such a way that without any of these individual components or changing any one of those should not enable the services. This combination should support fingerprinting and for any reason if the fingerprinting is not available on change of any of these components then the broadcaster has right to discontinue the services.
- vii. The Affiliate shall make available the channel wise history of all the authorizations/deauthorizations of all the CEs as and when required by BCCL.
- viii. The CAS of the Affiliate must have a log of all the actions performed on the CE at least for the past one year which shall inter-alia include activation/deactivation, FP triggers etc;
- c) The Affiliate warrants and undertakes that the Channels/Services shall be provided to the Subscribers only through CAS/SMS and the details whereof shall be recorded along with authorization, billing and accounting through the said system and such system must have the features of finger printing (FP) and On Screen Display (OSD) to be shown on various location, frequencies and duration as advised by BCCL from time to time.
- d) The Affiliate shall, prior to the commencement of the Term of this Agreement and at all times during such Term, employ, maintain, and enforce fully effective conditional access delivery and content protection and security systems, and related physical security and operational procedures (hereinafter collectively referred to as the "Security Systems") as may be specified (security specifications), in a non-discriminatory manner in writing, from time to time, by BCCL.
- e) The Affiliate shall install the process for Finger Printing, which should not be removable, whereby code words/numbers etc. are made to overtly appear on the screen of a television and/or covertly in the signal of the Channel that enables identification of the Viewing Cards being used to access the signal. With respect to Finger Printing the Affiliate shall ensure that:-

- i. Both CAS and STB should support both overt and covert fingerprinting. The background of OSD should be in different colours which includes no colour (blank) and fonts as advised by BCCL. In addition the co-ordinates of the finger printing should be in shifting mode and of multi-positioning; i.e. the place of display of finger printing should be kept on changing from time to time as advised by BCCL. The Overt FPs should be clearly visible, continuous and the frequency of display should be controllable as and when required as advised by BCCL. Display of FPs with varying length of time can be scheduled at different intervals as advised by BCCL.
- ii. The Finger Printing should be possible at any location and different location setting should be possible for different groups of STBs. In addition the Finger Printing should be displayed/defined by x y coordinates on the TV screen and be capable of being displayed for varying length of time which can be scheduled at different intervals.
- iii. Subscriber Equipment should support both visible & invisible Finger Printing as well as OSD messaging.
- iv. The Affiliate shall not resort to and/or use any method, technology, software now known or hereinafter devised to subvert the Addressable System to the detriment of the interests of BCCL.
- v. Both CAS and SMS should be able to handle individual Channel/package of the Channels, discounts and promotional offer etc. and shall record/maintain all the details of the Subscriber/Service and its activation/deactivation records in truthful manner.
- vi. To have strict security measures against piracy of the viewing / smart card.
- f) In case the CAS/SMS of the Affiliate is found/ informed to be hacked/defective, the Affiliate shall change or upgrade its CAS/SMS at the earliest. The Affiliate agrees to take appropriate remedial actions to curb piracy in the Area with
  - prior written approval of BCCL and shall also extend all co-operation to BCCL as may be required by it (BCCL) for taking necessary action against such infringement.
- g) The Affiliate undertakes that all the Subscriber's Equipment (STB & VC etc) are sold/installed together as a pack and only at Subscriber Premises after due verification of the same and the installation of the Equipment would be done by the Affiliate or its authorized agents.
- h) The Affiliate warrants and undertakes to comply with the 'Digital Addressable cable TV Systems Requirements' as stated in Schedule I of The Telecommunication (Broadcasting And Cable Services) Interconnection (Digital Addressable Cable Television Systems) Regulations, 2012 dated 30th April, 2012.
- i) In case the security of CAS/SMS is breached, or if the Services are viewed through without FP or OSD, BCCL reserves the right to discontinue its services as per the terms of this Agreement without prejudice to any other rights.
- EPG: The parties agree to the Logical Channel Numbers for each of the Channel from time to time and the Affiliate agrees not to disadvantage any of the Channels or otherwise treat the Channel less favorably with respect to the competing channels and the LCN of the Channels shall not be changed without approval of BCCL. In case the Affiliate distributes the copy of EPG to its Subscribers a copy of such would be sent to BCCL also. It is agreed that the Affiliate shall ensure that the LCN for each of the Channel shall remain within the LCNs genre of that particular channel as registered, for e.g. the Times Now Channel should be allotted an LCN within the range allotted to the English News Channels genre.
- k) The Affiliate acknowledges and undertakes that Movies Now HD, MN+, MNX HD, Times Now HD and Romedy Now HD are High Definition formatted channels and it shall maintain the HD format of these

channels. The Affiliate agrees to comply with the Technical Aspects of the Channels as provided in Annexure D to this Agreement in addition to other HD format requirement and the advice of BCCL from time to time in this respect.

## 5.8 Inspection & AUDIT

- a) During the Term and within one year of completion of the Term, BCCL reserves the right not more than twice in a calendar year to review, inspect, verify/audit the Subscriber Reports, Records, SMS/CAS and/or other related systems, books and records of the Affiliate through its representative and/or through an outside agency, after giving 5 working days' notice to the Affiliate. The scope of the Audit shall be as described in Annexure E.
- b) The Affiliate shall allow the authorized representatives of BCCL to have access to such papers and Records and/or to take copies of them as required by BCCL in order to conduct such audit/inspection and shall fully co-operate with and assist the audit team of BCCL as they may reasonably require in order to carry out any audit. The Affiliate shall make all the Records and other papers/documents/details relating to the Service available for inspection and Audit to the authorized representative(s) of BCCL.
- c) BCCL is also entitled to conduct a technical audit (not more than twice in a calendar year), either by its representatives and/or by an expert outside agency, in order to ensure the compliance of the security/anti-piracy requirements by the Affiliate which inter alia includes prevention of theft, piracy, unauthorized retransmissions including distribution in unauthorized language, redistribution or exhibition, copying or duplication of any Channel, in whole or in part, (hereinafter collectively referred to as "Piracy"). In case any deficiency is revealed in such technical audit report or if the results of any Technical Audit are not found to be satisfactory by BCCL, the Affiliate shall work with BCCL in resolving this issue in the next fourteen (14) business days and (the Affiliate) shall remove such deficiency in the time specified by BCCL to it. However, if no solution is reached between the parties or the Affiliate does not take any step to the satisfaction of BCCL, BCCL shall be entitled, in its sole discretion, to suspend the Services of the Affiliate or its right to distribute the Channels or take other actions as provided under this Agreement, without prejudice to any other rights available to it, until such systems, procedures and security measures have been corrected to BCCL's satisfaction and till the security measures/procedures are set in place by the Affiliate. The Affiliate shall bear the cost and expense of any subsequent Technical Audit to verify that the systems, procedures and security measures have been corrected by the Affiliate to BCCL's satisfaction.

## 5.9 Subscription Fee and other charges/payment:

- a) Subscription Fee: In consideration of subscribing the Channels/Service (in bouquet or in a-la-carte mode), the Affiliate agrees to pay to BCCL the monthly Subscription Fee which shall be calculated/determined on the basis of Subscriber Report, as under:
- i. In case the Affiliate avails the Bouquet of BCCL and also provides/distributes the Bouquet(s) as a whole to its Subscribers: the Monthly License Fee for such Bouquet shall be equal to the Bouquet rate as set out in Annexure A multiplied by the monthly average number of subscribers availing the Bouquet(s). However if the Affiliate does not offer such opted bouquet(s) as a whole to its Subscriber but offers only certain channels comprised in such bouquet or packages; the channels comprised in such opted bouquet in a manner resulting in different subscriber base for different channels comprised in such opted bouquet, then the payment to BCCL for such entire opted bouquet by the Affiliate, shall be calculated on the basis of Subscriber Base for the channel which has highest Subscriber Base amongst the channels comprised in the bouquet.
- ii. In case the Affiliate avails one or more or all Channels on a-la- carte rate basis and:
  - a. Provides/distributes the Channels on a-la-carte basis to its subscribers, the Monthly License Fee for such a-la-carte Channels shall be equal to the a-la-carte rate as set out in Annexure A multiplied by the monthly average number of subscribers availing the Channels on a-la-carte basis.
  - b. However if the Affiliate does not offer such opted a-la-carte channel(s) as a-la-carte to its Subscriber but offers the a-la-carte channel(s) in packages, then the payment to BCCL for each of the a-la-carte channels, shall be calculated on the basis of Subscriber Base of the package in which such opted a-la-carte channel has been placed.

- b) In case the Affiliate avails one or more channels on a-la-carte rate basis and also opts for different Bouquet(s) not comprising of channels opted on a-la-carte basis of BCCL: in such situation (a) For bouquet(s), the monthly license fee shall be calculated on the basis of sub clause i. above and (b) For a-la-carte channels, the monthly license fee shall be calculated on the basis of sub clause ii. above.
- c) In case the Affiliate has opted for more than one Bouquet and such Bouquet has one or more channel(s) in common, and the Affiliate has opted to avail the incentives in respect of each of the bouquets, then the Incentives on the same shall be computed on individual basis for each of the bouquets as per Clause 6.10 (a) & (b) of the Agreement and the Incentive Scheme mentioned in Annexure H attached to the Agreement.
- d) **Incentive Scheme:** The Affiliate can avail the different incentives on the Subscription fee/Charges payable by it for channels / bouquet as detailed out in Annexure H to this Agreement selected by the Affiliate.
- e) Eligibility Criteria: An Affiliate becomes eligible for availing the Incentive Scheme in the event:-
- i. if the Affiliate has opted for distributing the channels on a-la-carte basis then the 'Incentive Schemes For A-La-Carte' under Annexure H may be availed. However, if the Affiliate distributes the SD Bouquet of the Broadcaster then 'Incentives on SD Bouquet and HD Channels' under Annexure –H may be availed. Further, Incentive Scheme on HD channels is available only if the Affiliate distributes the SD Bouquet of the Broadcaster;
- ii. The Affiliate shall not place any Channel in a disadvantageous position or otherwise treat any of the Channels less favorably or in a discriminatory manner with respect to competing channels in the same genre;
- iii. The Affiliate shall ensure that during the Term, the Channels comprising in a-la-carte or the Bouquet opted by the Affiliate will be made available and carried throughout the Territory on its Platform to its existing Subscribers, as well as to its new subscribers in entirety and continuously on a 24X7X365 basis without any break, as per the terms and conditions of this Agreement.
- iv. The Affiliate shall, subject to compliance with each of the Eligibility Criteria set out in Clause 6.10(d) of the Agreement, be eligible to avail the Incentives on the a-la-carte/Bouquet Rate of the Channels of the Broadcaster strictly in the manner, sequence and conditions set forth hereunder.
- v. The Affiliate shall remain bound with the obligations arising out of the Incentive Schemes and as opted for by the Affiliate, for the entire term of the Agreement. In the event any obligations/eligibility criteria are not fulfilled by the Affiliate during any period in a particular month, the Affiliate shall not be entitled to the particular incentive for that month.
- **a.** Genre Parity based incentive: The Affiliate shall become eligible to incentive on the basis of the placement and packaging of the Channels of the Broadcaster at par with the competing channels of the same genre of other broadcasters in the platform's EPG and Packages (both Base and Add On/Top up) being offered to subscribers, in the manner as set out under Point 1) of 'Incentives on A-la-Carte' and 'Incentives on SD Bouquet and HD Channels' in Annexure H attached to the Agreement.
- **b.** Count of Channel Incentive: The Affiliate shall also become eligible to Incentive based on the number of channels carried on its network by the Affiliate. The scheme that becomes available to the Affiliate on the basis of the number of channels carried by the Affiliate, is given in Point 2) of 'Incentives on A-la-Carte' and 'Incentives on SD Bouquet and HD Channels'in Annexure H attached to the Agreement. As a pre condition, the Affiliate shall become entitled to incentive based on the number of channels carried on its platform, only if the channels are placed in accordance with the Point 4) (ii) of the Incentive Schemes in Annexure H attached to the Agreement.
- **c. Volume Based Incentive**: The "volume based incentive" shall mean the incentive provided to the Affiliate based upon the monthly average active pay subscriber base of the Affiliate, in accordance with the terms as set out in point 3) of 'Incentives on A-la-Carte' and 'Incentives on SD Bouquet and HD Channels'in Annexure H attached to the Agreement.
- **d.** LCN Based Incentive: The Affiliate can further avail "LCN based incentive" by selecting one of the options set out in point 4) (i) of 'Incentives on A-la-Carte' and 'Incentives on SD Bouquet and HD Channels' in Annexure H attached to the Agreement and placing each of the Channels of the Bouquet in the Logical Channel Number ("LCN") position in accordance with the point 4) (ii) of 'Incentives on A-la-Carte' and 'Incentives on SD Bouquet and HD Channels' in Annexure H of the Agreement. As a pre-condition to avail "LCN based incentive", the Affiliate shall ensure that the Threshold number of Channels shall at all times during the Term of the Agreement be made available on the LCNs specified in the option selected by the Affiliate in point 4)(ii) of 'Incentives on A-la-Carte' and 'Incentives on SD Bouquet and HD Channels' in Annexure H attached to the Agreement.

e. Penetration Based Incentive: The "penetration based incentive" under 'Incentives on SD Bouquet and HD Channels' in Annexure H shall mean the incentive provided to the Affiliate in order to ensure that each Channel of Broadcaster forming part of the Bouquet is made available to threshold limit % of the monthly average active Pay Subscriber Base for the entire term of the Agreement as per the option selected by the Affiliate. As a pre-condition to be eligible for availing the "penetration based incentive" under 'Incentives on SD Bouquet and HD Channels' in Annexure H, the Affiliate shall ensure that the minimum four channels of the Broadcaster shall at all times during the Term of the Agreement be made available individually to the threshold limit % of the monthly average active Pay Subscriber Base of the Affiliate.

The "penetration based incentive" under 'Incentives on A-la-carte' in Annexure H shall mean the incentive provided to the Affiliate in order to ensure that Channel of Broadcaster is made available to threshold limit % of the monthly average active Pay Subscriber Base for the entire term of the Agreement as per the option selected by the Affiliate.

The Subscription Fee shall be calculated only after taking into consideration the Incentive Schemes as opted and qualified for by the Affiliate.

- f) Other Payment terms: The Subscription fee/Charges shall be paid by the Affiliate monthly in arrears, without any deduction, in the following manner:
- i. The Affiliate shall send the Subscriber report (for the previous month) to BCCL which shall inter-alia include the opening, closing and average number of subscribers for that month, on or before 7<sup>th</sup> day of every succeeding calendar month.
- ii. Within 7 days of receipt of such report BCCL shall raise the invoice on the Affiliate on the basis of the said report. In case the Affiliate fails to send the report within the said period of seven days, BCCL shall have the right to raise an invoice on the basis of subscription report that was last made available to BCCL by the Affiliate; and the Affiliate shall be under obligation to pay the license fee on the basis of such invoice in accordance with the terms of this clause.
- iii. The Affiliate shall make the payment within 15 days of receipt of such invoice. If however no invoice is received by the Affiliate within 15 days of sending the subscriber report, the Affiliate shall make the payment within 15 days after sending Subscriber Reports to BCCL.
- iv. BCCL reserves its right to revise the aforementioned Subscription fee/Price of the Channels in accordance with the applicable statutes pursuant to any new regulations/orders notified by the TRAI/MIB or any other quasi-judicial or judicial authority and such revised Tariffs shall apply from the date such revision is notified by such authority without any further intimation or action by either party and/or the pricing policy of the Company from time to time. Upon such revision, the Affiliate agrees to pay the revised Subscription Fee with immediate effect without raising any dispute. It is further agreed that in case the Affiliate has paid any fees in advance, the differential amount of the subscription fees, from the effective day of such revision will be paid by the Affiliate on a pro rata basis within a period of seven days from the receipt of the notice of revised fee from BCCL.
- v. It is expressly agreed between the Parties that the Affiliate shall be liable to pay the Subscription Fee irrespective of the fact whether the Affiliate is able to collect the same from its Subscribers or not.
- vi. The Affiliate acknowledges and agrees that total Subscription fee shall be determined on the basis of the Price of the Channel Rate multiplied by number of Subscribers declared by the Affiliate to BCCL. The Affiliate undertakes to abide by the terms of Annexure A and further undertakes that it shall declare the true Subscriber base to BCCL on monthly basis as per the terms of this Agreement. In case it is found that the subscriber base was wrongly/shortly declared by the Affiliate, the subscription fee will be charged on the basis of increased Subscriber base retrospectively.
- vii. The Affiliate shall also pay an interest free refundable security deposit of Rs. \_\_\_/- (Rupees \_\_\_\_ Only) against compliance of the terms of the Agreement particularly to secure the payment of Subscription fee and an interest free refundable security deposit of Rs. \_\_\_/- (Rupees Only) against the Equipment provided to the Affiliate, which shall be adjusted against unpaid subscription fee or refunded to the Affiliate (without any interest) at the time of expiry/termination of the Agreement after adjusting the due amount payable by the Affiliate.
- viii. In addition, the Affiliate shall be liable to bear and pay all the (present and future) taxes & duties (including Service Tax) and any other payments statutorily required to be made by the Affiliate with respect to subscription and distribution of the Channels/Service. In case BCCL is required to make any such payment on behalf of the Affiliate,

the Affiliate shall reimburse the same to BCCL within seven days of demand made by BCCL along with the copy of payment of the said dues, without raising any dispute.

- ii. All payments shall be paid net of all taxes and charges or levies and any bank transfer or similar fees or charges and the liability of all taxes & duties including the Service tax or statutory charges shall be solely of the Affiliate. All the dues as mentioned in the Agreement shall be paid by the Affiliate without any deduction or set-off, by way of a DD/pay order/Cheque payable at par which shall be drawn in favour of "Bennett, Coleman & Company Limited". However it clarified and agreed that all the above payments shall be free of and not be reduced by any tax, levy or charges except for Tax Deduction at Source as per Indian Income Tax Act, 1961. The Affiliate shall issue the TDS certificate for such deducted tax within the statutory time provided for furnishing it under the Income Tax Act, 1961 and amendments thereof from time to time. TGBCL shall be entitled to collect the Subscription Fee/Charges from the Affiliate and all dues/payments payable in terms of this Agreement shall be paid by the Affiliate by way of a DD/pay order/cheque (payable at par) in favour of "Bennett, Coleman & Company Limited".
- iii. In case any of the above payment is not paid by the Affiliate on or before the due date, BCCL shall be entitled to charge the interest at the rate of 24% p.a. from the due date till the said amount is paid, which shall be without prejudice to other rights available to BCCL which inter-alia includes de-activation of the Service and /or terminate the Agreement in accordance with the provisions of law.
  - It is agreed between the parties that the receipt of money by BCCL shall not prevent BCCL from questioning the correctness of any statement submitted by the Affiliate.

#### **5.10 Intellectual Property Rights:**

- a) The Affiliate acknowledges and agrees that BCCL and/or the Channel Broadcaster is/are and shall remain the sole & exclusive owner(s) of the Channel(s) and contents thereof and all rights including Intellectual Property Rights vested therein shall be the sole and exclusive property of BCCL.
- b) The Affiliate shall use the signals only for distributing the same to its Subscribers and shall neither record, duplicate, transmit by any means or otherwise use the Channels or any part thereof nor allow any person to do so.
- c) The Affiliate undertakes that it shall distribute and ensure continuous distribution of the Service in the designated Territory and Authorized Language only in its entirety and in the same manner as it is received without any disturbances, disruptions/interruptions, editing, modification, including any scrolling, imposing or superimposing of advertisements, incorporating sub-titles or otherwise tampering with the telecast/content, editing, voice over etc., interference, de-modulation. The Affiliate shall make the signals available to its Subscribers without any disturbance, disruption and/or blacking it out and shall also ensure that the signals of the Channel(s) shall be available to the Subscribers in continuity without any disturbance, disruption and/or blacking it out in any manner whatsoever.
- d) The Affiliate further undertakes to abide by the provisions of the Copyright Act, 1957 (amended from time to time) and rules thereof and further undertakes not to do any act which violates the rights of BCCL provided under this Agreement.
- e) The Affiliate agrees that it has not and shall not:
  - i. acquire any proprietary rights in any of the contents of the Channels and/or logo, trade mark/name thereof by reason of this Agreement or by reason of performance pursuant to this Agreement;
  - ii. acquire any ownership or other rights with respect to the Subscribed Channel(s) or in any of the contents of the Channels and/or logo, trade mark/name thereof except as expressly granted in this Agreement, nor shall the Affiliate grant to others, the right to use the Subscribed Channels or any other rights pertaining to the Subscribed channels as granted in this Agreement;
  - iii. acquire any proprietary or other rights in the trade names/marks and logo to which BCCL and/or Channel Owners assert proprietary or other rights, which BCCL may inform the Affiliate from time to time in writing and agrees not to use the same in any corporate or trade name;

- iv. apply for registration of the Trade Name as a trade mark and not to interfere in any manner with respect to registration by BCCL nor attempt to prohibit the use or registration of the Trade Name or any similar name or designation by BCCL;
- v. Use any name or mark, logo similar to or capable of being confused with the trade Name or the mark/logo of the Channel and/or BCCL/Channel owners;
- vi. Remove any name or mark including fingerprinting from the Services;
- vii. cause or permit anything which may damage or endanger the Intellectual Property or assist or allow others to do so;
- viii. refrain from distribution of the Channel(s) and shall distribute the same without any disruption, interruption and blacking out
- ix. change or use the language of the Channel(s) other than the authorized one.
- f) In case the Channels are not distributed as per the terms of this clause, BCCL shall be entitled to terminate this Agreement and recover damages from the Affiliate without prejudice to any other rights available to it.
- g) The Affiliate may place its logo/FP on the Channels provided it shall not hide/mask the logo/FP of BCCL/Channel Owners and its placement shall be determined in consultation with BCCL to ensure the same.
- h) The Affiliate shall not push any content (except its Finger Printing) on to the Set Top Boxes, and there shall not be any automatic advertisement skip function and the Affiliate shall not create a virtual VOD or other on demand service with respect to the Channels.

## 5.11 Anti-Piracy Obligations & Measures:

- In order to prevent theft, piracy, unauthorized retransmissions, redistribution or exhibition, copying or duplication of any Channel, in whole or in part, (hereinafter collectively referred to as "Piracy"), the Affiliate shall, prior to the commencement of the Term of the Agreement and at all times during such Term, employ, maintain, and enforce fully effective conditional access delivery and content protection and security systems, and related physical security and operational procedures as may be specified, in a non-discriminatory manner in writing, from time to time, by BCCL. In addition, the Affiliate shall ensure to employ, maintain and enforce a Security System which shall inter-alia include the fully effective conditional access delivery and content protection and Security System in order to prevent theft, piracy, unauthorized distribution/retransmission, copying or duplication of the Channel(s) or any part thereof.
- b) The Affiliate represents and warrants that it has the adequate system, processes and controls in place regarding distribution of Set Top Boxes and preventing Piracy and shall take all the necessary legal/technical and administrative steps/actions to prevent the piracy and unauthorized access of the Channel(s)/Service.
- c) The Affiliate undertakes to notify to BCCL of any suspected and/or actual infringement of the Intellectual Property and/or unauthorized distribution of the Channels, and to take all necessary steps and actions, after taking the approval from BCCL, to prevent any unauthorized access to/piracy of BCCL Channels in the Territory and will regularly provide to BCCL updated piracy reports on quarterly basis. The Affiliate also agrees to take appropriate remedial actions to curb piracy in the Area with prior written approval of BCCL and shall also extend all co-operation to BCCL as may be required by it (BCCL) for taking necessary action against such infringement.
- d) The Affiliate shall deploy Finger printing (FP) mechanisms to detect any piracy, violation of copyright and unauthorized viewing of the Channels, distributed / transmitted through its DAS Platform at least every 10 minutes on 24 x 7 x 365 basis. In addition, the Affiliate shall ensure that the FP of BCCL should pass through all the STB/TV sets without being masked or tampered with respect to time, location, duration and frequency.

- e) The Affiliate shall also display the Water mark and other measures as approved by BCCL in order to detect the piracy. The FP should be on the top of any other display OSD including programme and should not be removable by the Subscriber or any other person.
- f) The Affiliate shall ensure that all Set Top Box(s) should support both visible and covert FP and it (the Affiliate) should be able to operate the FP of all the Subscribers.
- g) The FP & OSD should not be removable by the Subscriber and should be controllable as and when required. In addition, the Affiliate shall provide the FP (both overt and covert) at the scheduled time, location, duration, color and on demand of BCCL with a notice of 30 minutes. FP should be displayed at least for 30 seconds and after every 10 minutes.
- h) The Affiliate shall ensure the address and authorized usage of the Subscriber before setting up/installation and activation of Subscriber's Equipment and shall have a system in place for ensuring the utilization of those Equipment as per the terms of this Agreement so as to prevent/minimize the Piracy of the signals of the Channels.
- i) The Affiliate shall not authorize, cause or suffer any portion of any of the Channels to be recorded, duplicated, cablecast, exhibited or otherwise used for any purpose other than for distribution by the Affiliate at the time the Channels are made available. If the Affiliate becomes aware that any unauthorized party is recording, duplicating, cable-casting, exhibiting or otherwise using any or all of the Channels for any other purpose, the Affiliate shall within ten minutes of so becoming aware of such recording, duplicating, cable-casting, exhibiting or otherwise using any or all of the Channels for any other purpose, notify BCCL and the Affiliate shall also switch off the concerned Set Top Box to prevent such unauthorized use.
- j) The Affiliate further undertakes to notify to BCCL of any suspected and/or actual infringement of the Intellectual Property/Piracy of the Channels of BCCL (such event includes receiving/usage/distribution of the Channels for commercial purpose by the Subscribers or any other person without the authorization of BCCL, receiving/ usage/ distribution of the Channels by the Cable Operators, receiving/usage/distribution of the Channels by the unauthorized Commercial Subscribers, Mass display such as in Cinema, PVA, any large gathering or otherwise by any person without authorization of BCCL) through its DAS Platform and shall take all necessary steps and actions as advised by BCCL from time to time. The Affiliate is also authorized to take legal steps (including criminal proceedings) in its own name after taking the approval from BCCL, to prevent any unauthorized access to/piracy of BCCL channels in the Territory and will regularly provide to BCCL updated piracy reports on quarterly basis.
- k) If so instructed by Information (as defined below) by BCCL, the Affiliate shall shut off or de-authorize the transmission to any unauthorized subscriber/ subscriber indulging in piracy, within ten minutes from the time it receives such instruction from BCCL. Any communication under this clause shall be considered as valid Information only if (i) the information is sent through e mail in a format as mutually agreed by the parties and (ii) the information is sent by a person(s) who is designated to send such information. However the "Information" may even be provided by BCCL representatives through other means of communications such as telephonic message, fax etc and the said "Information" shall later be confirmed by BCCL through e mail and the Affiliate shall be under obligation to act upon such Information.
- 1) The finger printing shall be both overt and covert and should be in different colours as advised by BCCL. In addition, the co-ordinates of finger printing should be in shifting mode and of multi-positioning; i.e. the place of display of finger printing should be kept on changing from time to time. Such finger printing should be displayed for such period and /or for such interval as may be advised by BCCL from time to time. It is further agreed that the FP of BCCL shall pass through without masking or tampering with respect to time, location, duration and frequency. The Affiliate agrees to display the Finger Printing and/or OSD at the scheduled time, location, duration as advised by BCCL by a written 15 minutes notice.
- m) It is further agreed that in case the Channels are not distributed as per the terms of this clause and/or in case BCCL finds that the Affiliate is not taking adequate steps to prevent piracy as advised by BCCL, BCCL shall be entitled to deactivate the service and/or terminate this Agreement immediately without prejudice to

any other rights available to it including to claim damages from the Affiliate.

manner:

- p) shall always encourage the Subscribers to subscribe/avail and view all the Subscribed Channel(s). Affiliate further undertakes that it shall not act in a manner that would discourage the Subscribers from subscribing/availing and viewing the Subscriber Channel(s), nor shall indulge in any negative publicity nor provide incentives, marketing, advertisements, etc., which would be detrimental to the interest of Broadcaster and/or the Subscribed Channel(s).
- q) upon change in the designated satellite of the Subscribed Channels, the Affiliate undertakes to make all necessary arrangements to ensure continued access to the Subscribed Channels at its own expense.
- 6.3 The Affiliate recognizes that it has been authorized to subscribe and distribute the Channels/Service, in reliance upon the representation, warranties and declaration made by it. The Affiliate further recognizes and undertakes that it has read and understood all the terms and conditions of this Agreement and is fully aware of the same and executed this contract with free consent.
- 6.4 The Affiliate agrees with BCCL that each warranty which is set out in this Article or which could be treated as a separate warranty shall be construed independently of any other. Each of the warranties is a separate and independent warranty, representation and undertaking and the rights of BCCL under, and the meaning given to, any one such warranty shall not be restricted by reference to any other warranty.

#### 7.0. DEFAULTS, DEACTIVATION & INDEMNITIES:

7.1. BCCL may, de-activate the Services of the Affiliate in accordance with the relevant provisions of the applicable statutes, upon termination/expiry of this Agreement and in case any of the representation and/or warranty made by the Affiliate is found to be incorrect and/or the Affiliate fails to perform its duty and/or carry out its obligations as mentioned in this Agreement, particularly the obligation of making timely payment, distributing the Services otherwise than through DAS Platform, non-providing the true details of its Subscribers and distribution of the Channels to the Subscribers not declared to BCCL, distribution of the Channels/Service outside the Territory, despite not curing the breach even after receiving a notice of breach/cure from BCCL.

If the Affiliate fails to adhere to its obligations as mentioned in this Agreement, it shall be deemed to be of unauthorisedly receiving/transmitting signals and BCCL shall be entitled to deactivate/disconnect the signals of the Subscribed Channels without prejudice to any other rights / remedies available to BCCL including termination of this Agreement and claiming appropriate damages.

- 7.2. It is further agreed that in case the Services are de-activated due to any default of the Affiliate, BCCL shall be entitled to charge the cost of deactivation and/or reactivation from the Affiliate.
- 7.3. In case any statement, representation or warranty of the either party set-forth herein is found to have been materially incorrect or untrue for any reason or resulting from any cause whatsoever, the Defaulting party (who made the wrong representation, statement etc) shall be fully liable to the other (Non Defaulting Party) for any and all liability, damage, costs, and expense including attorney fees, arising from such mis-representation or incorrect statement.
- 7.4. The Affiliate agrees to indemnify, defend and hold harmless BCCL and the Channels' Broadcasters, its affiliates, assigns and successors etc., as the case may be; and each of its directors, officers and employees and keep them fully indemnified and harmless against any and all losses, liabilities, claims, costs, damages and expenses which may be incurred or suffered by BCCL (and/or by them) and which may arise out of or result from:
  - a) Non/part performance/compliance of the provisions of, and/or failure of its obligation and/or breaches of any terms and condition by it as specified in this Agreement;

#### **8.0. TERMINATION:**

- 8.1. This Agreement and all rights granted herein and obligations of the parties shall be binding for validity of the Term (including the Extended Term) of this Agreement and shall automatically come to an end by efflux of time on completion of the Term. However BCCL may, terminate this Agreement (prior to the Term of this Agreement) at any time by giving at least 21 days prior written notice to the Affiliate and Affiliate may terminate by issuing 21 days advance written notice and clearing the remaining Subscription Fee to BCCL.
- 8.2. In addition, either Party shall be entitled to terminate the Agreement in the event of a breach of any of the undertakings, obligations representations and/or warranties given by the other Party (the 'Defaulting Party'), and in the event the same is not cured within the time specified in the Notice of default from other party (Non Defaulting Party). However, in case of the following events and subject to applicable statutes, BCCL may record termination with immediate effect:
  - a) If the Affiliate's license to operate as DAS Operator or providing the Digital Addressable Service is revoked, cancelled and/or not renewed.
  - b) If the Affiliate voluntarily or by operation of law loses control of the means to distribute the Channels in the Territory.
  - c) In case of amalgamation, consolidation or reorganization, bankruptcy or insolvency of the Affiliate.
  - d) In the event of assignment of this Agreement by the Affiliate without prior consent of BCCL.
  - e) If the Affiliate in any manner jeopardizes the intellectual property rights of BCCL in the subscribed

- channels or part thereof and/or disrupts/interrupts/blacks out the signals of the Channels.
- f) Winding up of the business of the Affiliate voluntarily or through court order for winding up the Affiliate company, or the appointment of a liquidator.

#### 9.0. POST TERMINATION/EXPIRY/DEACTIVATION COVENANTS:

- 9.1. It is hereby agreed that any default/failure by the Affiliate of any terms and conditions mentioned in this Agreement, shall entitle BCCL to disconnect the Services and /or terminate this Agreement without prejudice to any other rights available to it. However, BCCL may at its discretion, waive its right to disconnect the Service and/or terminate this Agreement, upon such terms and conditions as it may deem fit and proper.
- 9.2. The de-activation and/or termination of this Agreement, pursuant to the terms of this Agreement shall be without prejudice to any rights which have already accrued to either party under this Agreement. Where the Services are de-activated and/or Agreement is terminated due to any defaults of the Affiliate, upon such deactivation/termination, the entire Subscription fee, for the Term and all sums due and payable by the Affiliate to BCCL, shall forthwith become and remain due and payable.
- 9.3. Upon expiration/termination of this Agreement:
- a) all rights granted to and obligations undertaken by the Parties hereunder shall cease to have effect and terminate immediately except for the Affiliate's obligations:
  - i. to pay all amounts or Subscription Fees or other dues including damages, if any, accrued hereunder upon or prior to the expiration or termination of this Agreement;
  - ii. with respect to indemnity and confidentiality and;
  - iii. such other rights as may accrue upon BCCL under the laws of India.
- b) The Affiliate shall forthwith:
  - i. Stop distributing the Channels to its Subscribers.
  - ii. Stop representing itself as the Affiliate of BCCL.
  - iii. Cease to use the Intellectual Property of BCCL/Broadcaster(s).
  - iv. Sign such document/confirmation of cessation of use of Intellectual Property as BCCL may require.
  - v. Return back to BCCL all the Equipment(s) in the same conditions as it were made available to the Affiliate subject to normal wear and tear, failing which the Affiliate shall be required to pay the Subscription Fee till the date the Equipment are returned without prejudice to any other rights available to BCCL.
  - vi. Return back to BCCL all the material/documents/property of BCCL.
- 9.4 It is agreed that notwithstanding anything contained in the Subscribers Contract(s) with the Affiliate; execution of this Agreement with the Subscribers by the Affiliate shall not entitle the Affiliate to receive the Channels/Service from BCCL, post expiry/termination of this Agreement and in case the services are deactivated due to any default by the Affiliate.
- 9.5 Continuation of Service: In case the Services are continued to be provided by BCCL by inadvertence or otherwise even after expiry/termination of this Agreement, despite the new Agreement is/could not be executed by and between the parties after such expiry/termination of this Agreement; the Services will be deemed to be provided on monthly basis on the same commercial terms and conditions unless otherwise determined. It is clarified that the month will be the Calendar month i.e. the beginning of the month will commence from the first day of month and not from any other date. In such a situation, the signals of the Service can be withdrawn by BCCL, subject to applicable statute, if any, by giving a written notice to the Affiliate on the last day of the month. However, in case the Services are to be withdrawn/deactivated or this Agreement is to be terminated before the end of the month, any party may send 21 days' notice to other party for such termination. The Affiliate shall be under the obligation to make the payment for the period during which such Services were received by him.

#### 10.0 MISCELLANEOUS:

#### **10.1 Entire Agreement:**

The Affiliate acknowledges that this Agreement contain(s) the whole Agreement between the parties and it has not relied upon any oral or written representations made to it by BCCL or its employees or agents and has made its own independent investigations into all matters relevant to the business. It is further agreed that this entire Agreement supersedes all prior Agreements, arrangements and understandings between the parties, written or oral, on the subject matter herein.

#### 10.2 Modifications & Severability:

Subject to terms agreed upon in this Agreement, any amendment/modification in this Agreement shall be subject to terms of this Agreement and will be effected in writing with the mutual consent of both the parties. The parties further agree that any provision of this Agreement, which is invalid, illegal or unenforceable in any respect, shall be ineffective to the extent of that invalidity, illegality or unenforceability, without prejudice to the continuing operation of the remaining provisions of this Agreement.

#### 10.3 Binding Nature:

All obligations and benefits arising under this Agreement shall be binding on the parties and to the respective assignees, transferees and successors of the parties hereto.

#### 10.4 Relationship of the parties:

The relationship between BCCL and the Affiliate is "Principal to Principal". The parties shall not be deemed as partners or joint ventures nor is the Affiliate authorized to act as agent of BCCL.

The Affiliate shall not attempt to incur any liability on behalf of BCCL and shall not hold itself out to any third party as being able to do so. Also there will be deemed to be no privity of contract or direct contractual relationship of BCCL and the Subscribers of the Affiliate.

#### 10.5 Confidentiality:

The Affiliate agrees to keep all information with respect to Channels, its subscription, terms of this Agreement, strategy and volume of business of BCCL as confidential, at all times. All data relating to BCCL Subscribers must be kept in strict confidence. The Affiliate hereby undertakes to keep confidential and not publish any material/information provided by BCCL which has been disclosed to the Affiliate under this Agreement. This clause will survive for a period of one year even after termination/expiry.

In case either party is required to disclose the information by any governmental or judicial order, in which case the party so required shall give the other party prompt written notice, where possible, and use reasonable efforts to ensure that such disclosure is accorded confidential treatment and also to enable such other party to seek a protective order or other appropriate remedy at such other party's sole costs;

#### 10.6 Force Majeure:

The Parties agree that neither party shall be liable for any delay in performing, or failing to perform, any or all of its obligations under this Agreement resulting from any event beyond their reasonable control, which may affect the reception/distribution of signals of the Channels to the Subscribers. The party so affected by such force majeure shall give a prompt notice to the other party explaining in detail the event of force majeure and the effect thereof.

Force Majeure will include any war, order of any court/tribunal or any other statutory/administrative authority, direction of any legitimate association/federation, civil commotion, strike, governmental action, lockout, accident, epidemic, satellite malfunction/jamming/failure or any other event of any nature or kind whatsoever beyond the control of either party that directly or indirectly hinders or prevents it from commencing or proceeding with consummation of the transactions contemplated hereby. It is agreed between the Parties in lack of funds shall not in any event constitute or be considered an event of force majeure.

It is further agreed that failure on the part of either party to perform any of its obligations (including the non-furnishing of the Service) shall not entitle the other to raise any claim against other or be a breach hereunder to the extent that such failure arises from an event of force-majeure. If through force majeure, the fulfillment by either party of any obligation set forth in this Agreement will be delayed, the period of such delay will not be counted in computing periods prescribed by this Agreement.

If the condition of force majeure shall continue for a period exceeding two months, then the Parties shall meet to decide upon the future performance of this Agreement. If the Parties are unable to agree upon a plan for future performance, then this Agreement shall be terminated upon notice of either party to the other, on the thirtieth day after the notice is given.

#### 10.7 Assignment

Subject to the provisions of this Agreement, the Affiliate shall not transfer/assign its Rights and obligations as agreed to in this Agreement, or part thereof to any other person/association/Company/Affiliate/network etc. without the prior written approval of BCCL and any such transfer/assignment shall be illegal and impermissible without authorization; In the event the Affiliate fails to comply with any of the above provisions, BCCL shall be entitled, at its sole discretion, to terminate this Agreement immediately and/ or deactivate the services of the Affiliate without prejudice to any other rights available to it (BCCL).

Consequent upon the consent of BCCL to such assignment/transfer under the provisions hereof; a separate agreement will be executed with the new party and this Agreement will be deemed to be terminated from the date of execution of new agreement.

It is clarified and agreed that for above-said transfer/assignment a written approval of BCCL is required and mere intimation by the Affiliate for any such transfer/extension will not be deemed as consent of BCCL. BCCL will have the right of assigning the rights of this Agreement to any person at its sole discretion.

#### 10.8 Obligations surviving termination of Agreement

It is mutually agreed between the parties that the obligations contained in this Agreement in Clauses 6.5(b) (Subscriber Report), 6.10 (Subscription Fee and other Charges/Payments) and 11.5 (Confidentiality) shall survive the termination of this Agreement, and the respective parties shall be liable to perform their part of the obligation in the same manner as specified in the aforesaid clauses even upon the termination of this Agreement.

#### 10.9 Notices

## **Annexure D- Technical Specifications**

Specifications for Set-Top-Boxes (STBs), Conditional Access System (CAS) & Subscribers Management System (SMS) for implementation of Digital Addressable Systems

#### A. <u>STB Requirements</u>:

- 1. All the STBs should have embedded Conditional Access.
- 2. The STB should be capable of decrypting the Conditional Access inserted by the Headend.
- 3. The STB should be capable of doing Finger printing. The STB should support both Entitlement Control Message (ECM) & Entitlement Management Message (EMM) based fingerprinting.
- 4. The STB should be individually addressable from the Headend.
- 5. The STB should be able to take the messaging from the Headend.
- 6. The messaging character length should be minimal 120 characters.
- 7. There should be provision for the global messaging, group messaging and the individual STB messaging.
- 8. The STB should have forced messaging capability.
- 9. The STB must be BIS compliant.
- 10. There should be a system in place to secure content between decryption & decompression within the STB.
- 11. The STBs should be addressable over the air to facilitate Over The Air (OTA) software upgrade.

## B. <u>Fingerprinting Requirements</u>:

- 12. The finger printing should not be removable by pressing any key on the remote.
- 13. The Finger printing should be on the top most layer of the video.
- 14. The Finger printing should be such that it can identify the unique STB number or the unique Viewing Card (VC) number
- 15. The Finger printing should appear on all the screens of the STB, such as Menu, EPG etc.
- 16. The location of the Finger printing should be changeable from the Headend and should be random on the viewing device.
- 17. The Finger printing should be able to give the numbers of characters as to identify the unique STB and/ or the VC.
- 18. The Finger printing should be possible on global as well as on the individual STB basis.
- 19. The Overt finger printing and On-screen-display (OSD) messages of the respective Company should be displayed by the MSO/LCO without any alteration with regard to the time, location, duration and frequency.
- 20. No common interface Customer Premises Equipment (CPE) to be used.
- 21. The STB should have a provision that OSD is never disabled.

## C. CAS & SMS Requirements:

- 1. The current version of the conditional access system should not have any history of the hacking.
- 2. The fingerprinting should not get invalidated by use of any device or software.
- 3. The STB & VC should be paired from head-end to ensure security.
- 4. The SMS and CA should be integrated for activation and deactivation process from SMS to be simultaneously done through both the systems. Further, the CA system should be independently capable of generating log of all activations and deactivations.
- 5. The CA company should be known to have capability of upgrading the CA in case of a known incidence of the hacking.
- 6. The SMS & CAS should be capable of individually addressing subscribers, on a channel by channel and STB by STB basis.
- 7. The SMS should be computerized and capable of recording the vital information and data concerning the subscribers such as:
- a) Unique Customer Id
- b) Subscription Contract no
- c) Name of the subscriber

- d) Billing Address
- e) Installation Address
- f) Landline no
- g) Mobile No
- h) Email id
- i) Channels or Bouquet or Subscriber Package subscribed to
- j) Unique STB No
- k) Unique VC No
- 8. The SMS should be able to undertake the:
- a) Viewing and printing historical data in terms of the activations, deactivations etc
- b) Location of each and every set top box/VC unit
- c) The SMS should be capable of giving the reporting at any desired time about:
  - i. The total no subscribers authorized
  - ii. The total no of subscribers on the network
  - iii. The total no of subscribers subscribing to a particular service at any particular date.
  - iv. The details of channels opted by subscriber on A-la-carte basis.
  - v. The Bouquet / Subscriber Package wise details of the channels in the Bouquet.
  - vi. The Bouquet / Subscriber Package wise subscriber numbers.
  - vii. The ageing of the subscriber on the particular channel or Bouquet / Subscriber Package.
  - viii. The history of all the above mentioned data for the period of the last 2 years
- 9. The SMS and CAS should be able to handle at least one million concurrent subscribers on the system.
- 10. Both CA & SMS systems should be of reputed organization and should have been currently in use by other pay television services that have an aggregate of at least one million subscribers in the global pay TV market.
- 11. The CAS system provider should be able to provide monthly log of the activations on a particular channel or on the particular Bouquet / Subscriber Package.
- 12. The SMS should be able to generate itemized billing such as content cost, rental of the equipment's, taxes etc.
- 13. The CA & SMS system suppliers should have the technical capability in India to be able to maintain the system on 24x7 basis throughout the year.
- 14. CAS & SMS should have provision to tag and blacklist VC numbers and STB numbers that have been involved in piracy in the past to ensure that the VC or the STB cannot be re-deployed.

## D. <u>HD Set-Top-Box Requirements:</u>

- 1. HD Boxes should be tamper resistant.
- 2. The security codes should be securely stored in the HD Box
- 3. There should not be any testing points or interfaces in the HD Box provided to the Subscribers.
- 4. The security system in a HD Box or otherwise should have the capability to detect clone devices.
- 5. The HD Box enforce reasonable usage rules carried by the BCCL
- 6. The decryption and decoding processes should be integrated into a single process in the HD Box.
- 7. The video path from decryption to video outputs should be secured
- 8. The set top box or HD Box utilizing built-in PVRs should employ an encryption system for the storage of material that binds the material to that particular set top box or HD Box.
- 9. The HD Box should have the ability to add finger printing in the video outputs (preferred to track clone/compromised devices).
- 10. The HD Boxes should have:
- (a) CGMS/A capability for analog outputs
- (b) HDCP capability for DVI and/or HDMI outputs;
- (c) if provided, DTCP capability for 1394, USB, Ethernet and/or other applicable outputs.

## **Annexure E - SCOPE OF AUDIT**

#### I. Head End Audit

- i. MSO should provide Complete Accurate Schematic Diagram of their Head End, Earth Stations, Systems and Processes for Audit and Auditing Purpose.
- ii. MSO to submit & confirm the no. of MUX's (Multiplexer Units) installed with active TS (Transport Stream) outputs. This should include physical audit of head end, earth station and analysis of TS stream from the Mux.
- iii. All TS from MUX should be encrypted for the territory.
- iv. MSO to ensure that his Network Watermark logo is inserted on all Pay Channels at encoder end only.
- v. All Pay Channels IRDs to be provided to MSO's by Company should have SDI/Composite/ SDI output only. Company should not give IRDs with ASI/IP output or CAM Module.

#### II. CAS Audit:

- i. MSO to provide all below information correctly: Make & version of CAS installed at Head End.
- ii. CA system certificate to be provided by MSO.
- iii. CAS version installed should not have any history of hacking, certificate from CAS vendor required.
- iv. CAS system should support at least 1 million subscribers. CAS vendor should provide certificate.
- v. CAS should be able to generate log of all activities i.e. activation/deactivation/FP/OSD.
- vi. CAS should be able to generate active/deactivate report Channel wise or Bouquet / Subscriber Package wise.
- vii. STB's & cards to be uniquely paired from MSO before distributing box down the line. MSO to declare by undertaking the no of encryptions CAS/SMS he is using at the head end and in future if he is integrating any additional CAS/SMS same should be notified to the Company by means of a fresh undertaking.
- viii. Reconciliation of CAS database (active cards, service wise and Bouquet / Subscriber Package wise) with SMS database to be provided by MSO. CAS vendor required to certified reconciliation of data.
- ix. No activation / deactivation from direct CAS system, it must be routed via SMS client only.
- x. MSO should provide CAS vendor certified copies of active/deactivate channel wise/product wise report & Bouquet/ Subscriber Package / product report during audit period.
- xi. CA system should have the capability of providing history of all actions taken for last 2 years.

#### III. SMS Audit:

- i. All product authorization must be from SMS only.
- ii. SMS and CAS should be fully integrated.
- iii. The SMS should be computerized and capable to record the vital information and data concerning the subscribers such as:
  - o Unique Customer Id
  - Subscription Contract number
  - Name of the subscriber
  - o Billing Address
  - o Installation Address
  - o Landline telephone number
  - o Mobile telephone number
  - o Email id
  - o A-la-carte Channels or Bouquet/Subscriber Package subscribed to Unique STB Number & Unique VC Number

The SMS should be able to undertake the viewing and printing historical data in terms of the activations, deactivations etc.

- Location of each and every set top box VC unit
- The SMS should be capable of giving the reporting at any desired time about:
  - a) The total no subscribers authorized
  - b) The total no of subscribers on the network
  - c) The total no of subscribers subscribing to a particular service at any particular date.
  - d) The details of channels opted by subscriber on A-la-carte basis.
  - e) The Bouquet / Subscriber Package wise details of the channels in the Bouquet / Subscriber Package.
  - f) The Bouquet / Subscriber Package wise subscriber numbers.
  - g) The ageing of the subscriber on the particular channel or Bouquet / Subscriber Package
  - h) The history of all the above mentioned data for the period of the last 2 years

- 1. Following parameter should be validated during the audit
  - i. Review Complete Network Diagram
  - ii. Undertaking from Operators for all SMS and CAS installed at Head end issue of Multiple CAS / SMS
  - iii. Certificate from CAS provider for details of CA ID, Service ID, N/w ID, version and no. of instances installed. Also confirmation with respect to history of hacking
  - iv. Check the number of MUX's installed with active TS outputs. Also whether all TS from MUX are encrypted for non DAS & DAS area.
  - v. Review whether Live diagram / fibre details of network are captured in SMS system
  - vi. To check if MSO specific coding / ID is available for Finger Printing
  - vii. Confirm whether watermarking network logo for all pay channels are inserted at encoder end only
  - viii. Review the controls deployed to ensure integrity and reliability of the reports such as logs, access controls, time stamp etc.
  - ix. Review the Subscriber parameters which are captured in the SMS and validate if following parameters are present for subscriber:
  - Unique Subscriber ID
  - Subscriber Contract Details No, Term, Date, Name, Address & contact details
  - Hardware details
  - x. Review the subscribers activation/ de-activation history in the SMS system
  - xi. Validate if the SMS is integrated with CAS.
  - xii. Review if all the active and de-active STBs are synchronized in both SMS and CAS.
  - xiii. Validate if independent logs/report can be generation for active and de-active VCs with the product/channels active in both SMS & CAS.
  - xiv. Review if the system support the Finger Printing and OSD features at Box level, Customer account level as well as Global level.
  - xv. Validate if all the STBs are individually addressable from the System and are paired with the viewing cards.
  - xvi. Review the Electronic Programming Guide to check LCN/CDN and genre of all Channels
  - xvii. Review the various packages programmed in the Systems with respect to the subscriber reports submitted to the Company/ Aggregators.
  - xviii. Extraction and Examination of System Generated reports, statistics, data bases, etc. pertaining to the various Bouquets, Subscriber Package, Channel availability, bouquet / Subscriber Package composition, rates, xix. Review of the following reports are supported by SMS and CAS. a. Total no of Subscribers active & deactive separately
  - a. De-active subscribers with ageing
  - b. Channel wise Subscribers total
  - c. Channel wise Subscribers split by Bouquet / Subscriber Package
  - d. Revenue by Bouquet, Subscriber Package or A-la-carte Channel
  - e. Subscriber/Revenue Reports by State/City
  - f. No of Bouquets / Subscriber Package offered
  - g. List of Channels / rates of each Bouquet / Subscriber Package
  - h. Rate Card Options offered / Attached with active Subscribers
  - i. Historical data reports
  - j. Free / demo Subscribers details
  - k. Exception cases active only in SMS or CAS
- **IV. STB Audit:** All STB should be individually paired in advance with unique smart card at central warehouse of MSO before handing down the line distribution.
  - MSO to provide details of manufacturers of STB's being used / to be used by him (OS/Software, memory capacity, zapping time). All STBs must be secure chipset with chipset pairing mandatory.
  - •MSO should provide one set of all type/model of boxes for testing and monitoring purpose.
  - •All STBs used by MSO's should be certified by their CAS vendor.
  - •Forensic watermarking to be implemented on the MSO headend & STBs.
  - •ECM/EMM base Forced messaging full screen and ticker mode should be available.
  - •All the STBs should have embedded Conditional Access.

The STB should be capable of doing Finger printing. The STB should support both Entitlement Control Message (ECM) & Entitlement Management Message (EMM) based fingerprinting.

- The STB should be individually addressable from the Head end.
- The messaging character length should be minimum of 120 characters.
- There should be provision for the global messaging, group messaging and the individual STB messaging.
- The STB should have forced messaging capability.
- The STB must be BIS compliant.
- The STB must have secure chip set with mandatory pairing.
- There should be a system in place to secure content between decryption & decompression within the STB.
- The STBs should be addressable over the air to facilitate Over The Air (OTA) software upgrade.
- The STB outputs should have the following copy protections:
- i. Macro vision 7 or better on Composite video output.
- ii. Macro vision 7 or better on the Component Video output.
- iii. HDCP copy protection on the HDMI & DVI output.
- iv. DTCP copy protection on the IP, USB, 1394 ports or any applicable output ports.

Content should get recorded along with FP/watermarking/OSD & also should
display live FP during play out.
Recorded content should be encrypted & not play on any other devices.
Content should get record along with entitlements and play out only if current
entitlement of that channel is active.
User should not have access to install third party application/software.

- Does the Set Top Box support any type of interactive middleware (Please describe).
- V. Distribution Network Audit: MSO should provide below information in detail:
  - Fiber network and PIT information on Geo Map.
  - Service area to be defined.
- VI. Anti Piracy Measure: Use of any device or software should not invalidate the fingerprinting.
  - The OVERT Finger Printing should not be removable by pressing any key from the remote.
  - The OVERT Finger printing should be on the top most layer of the video.
  - The Finger printing should be such that it can identify the unique STB number or the unique Viewing Card (VC) number.
  - The Finger printing should appear on all the screens of the STB, such as Menu, EPG etc.
  - The location of the Finger printing should be changeable from the Head end and should be random on the viewing device.
  - The Finger printing should be possible on global as well as on the individual STB basis.
  - The Overt finger printing and On screen display (OSD) messages of the respective Company should be displayed by the MSO without any alteration with regard to the time, location, duration and frequency.

- Covert finger printing should be available.
- No common interface Customer Premises Equipment (CPE) to be used.
- The STB should have a provision that OSD is never disabled.

#### VII. Commercial Audit\*

- 1. Provide system generated Channel-wise and Bouquet / Subscriber Package -wise reports of channels for the Digital Addressable platform in a non-editable format.
- 2. Understand/ Verify the Customer Life Cycle Management process by performing a walkthrough of the following processes and their underlying systems
  - Customer acquisition
  - Provisioning of the subscriber in authentication, billing and SMS system
  - Bouquet / Subscriber Package change request process
  - Customer Retention process, if any
  - Deactivation and churn process
- 3. Understand/ Verify the various Bouquets / Subscriber Package being offered to customers
  - Obtain details of all approved Bouquets / Subscriber Package and add on which are being offered to customers
  - Interactions with the Operator's marketing and sales team on how the various channels are being marketed
  - Any special marketing schemes or promotions
  - Details of the consumers subscribing to the various Bouquets / Subscriber Package, including 'demo'/ free/complimentary/ testing/ promotional subscribers
- 4. Understand the declaration report generation process by performing a walkthrough of processes and underlying systems (to understand completeness and accuracy of subscriber report generation process):
  - · Generation of reports for subscriber declaration for Channels or Bouquets / Subscriber Package
  - Any reconciliations / checks /adjustments carried out before sending the declarations
- 5. Analyze declaration reports on a sample basis:
  - Reconciling the declaration
  - figures with base data from various systems (SMS / Provisioning / Billing and Authentication systems)
  - Analyse the computation of average subscribers
  - Ascertain the average subscribers for a specific period on a sample basis by generating a sample report for a given period in the presence of the representative/auditors
- 6. Analysis of the following -:
  - Input and change controls of customer data into SMS
  - SMS user access controls authentication, authorization and logging
  - Analyze system logs to identify any significant changes or trail of changes made
  - Security controls over key databases and systems including not limiting to SMS, Provisioning, authentication and billing systems
  - Review the system logic for the reports which are inputs to Broadcaster declarations
  - Channel allocation/fixation to a particular LCN/CDN
  - Mapping of subscriber id across the CRM and SMS billing system if the same is different across the systems
  - Sample of activation and deactivation request logs
  - Opening and closing numbers of the active subscribers for sample months ( report to be taken in front of the auditors/ rep)
  - Confirmation of the numbers on the middle of the month on a random chosen dates ( report to be taken in front of the auditors/ representatives of both parties)
  - Live Demo of the queries being put in to the system to generate different reports.
  - List of CAS and SMS used by Operator in DAS area. Incase more than one CAS and SMS system is used by Operator for both DAS and non-DAS areas, then understand and analyze how the two markets are segregated, controlled, reported and invoiced.

• Similarly, list of head-ends of the operator providing services to both DAS and non-DAS areas and for such head-ends, understand and analyze how the two markets are segregated, controlled, reported and invoiced.

In case of multiple CAS being used by MSO, to understand synchronization between multiple CAS and SMS.
